DATE MAILED: 09/27/2006

Please find below and/or attached an Office communication concerning this application or proceeding.

***Response to Amendment***

The amendment filed on 16 August 2006 canceling all claims drawn to the elected invention and, by amending the claims, now presenting only claims drawn to a non-elected invention is non-responsive (MPEP § 821.03). The claims are not readable on the elected invention because the claims as now amended are drawn to a coating on a braking surface and a brake whereas the original claims were drawn to a corrosion protective lacquer coating composition for use on a braking surface (i.e. an ultimate intended utility).

Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anthony J. Green whose telephone number is 571-272-1367. The examiner can normally be reached on Monday-Thursday 6:30-4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jerry Lorengo can be reached on 571-272-1233. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
